Pure imagination-the mind lends itself to the idea. The word "maybe" is used frequently as we put our imagination to work in day to day activities. Creation is brought forward with the new sophomores who have brought with them a feeling of new spirit and school loyalty.

They are willing to share their talents through music, athletics, and academic endeavors. Just imagine-juniors no longer have the feeling of "smallness" as they venture into their second year at Hoover. They are now accustomed to the academic rituals and what is expected of them.

Just imagine-seniors now know what it is like to be a "Real Senior". Graduation, senior pictures, becoming legal, senior prom, college choices . . . Thoughts such as these invaded the class of '78 as their final year of high school drew to a close. Many seniors have been working throughout the school year trying to save for what lies ahead. Whether it be college, marriage, or just living on your own, dreams now become reality as they face the challenge of the future with pure imagination.

8. Mr. Murphy, Durand and Danielson gang up on that villain — Apathy (Paul Bamford) and help kill him during the Homecoming assembly.

Activities

The crowd begins to tense as the 1977 Homecoming queen is announced.

1977 Queen Sandy Englehardt views her subjects as she takes the arm of her stately King, Craig McKirgan.

Music and merriment for the Beaverville car rally is provided by the HHS marching band.

Rain could not entirely dampen the enthusiasm of Jack Jordison and friends as their entry nets first place in the car rally.

Sophomore attendant Janet Greene, and Junior attendant Belinda Anderson try to protect themselves at a drizzly car rally.

3

Football games, crisp fall air, the excited rise of school spirit all mark the beginning of another school year at Hoover. The excitement rose slowly at first, but as the countdown began for the Homecoming week students and faculty alike became entangled in the tiny thread of electric enthusiasm.

Students are given many opportunities to show off their imaginations in the traditional Cake-off and Car Rally. Voters, with their mouths watering, choose Kathy and Barb Diment's artistic sculpture of a good-luck horseshoe sprinkled with flowers. The football team gets the honor of devouring this cake, while other fall teams and students demolish the remaining creations.

At 6:30 a.m. the Spirit Breakfast begins with a bang as Mr. Justice takes swipes at the pinata of a Roosevelt player filled with treats. The teams and students are treated to donuts and orange juice.

Spirit, pride highlight Homecoming

4

1. Ellen Jackson, Carol Nevins, Lee Buckley and Cindy Martin try to fire up an otherwise damp Car Rally with this message.

2. Seniors Patti Kole, Phyllis Morgan and other students try to decide which cake is No. 1 in the Annual Cake-off.

McKirgan, Engelhardt crowned king and queen

Parents, students, faculty and alumni fill the auditorium with cheers as they sit jammed, waiting for the Homecoming assembly. Speaking for the alumni is Jerry Sagehorn. Nancy Fay, '76 Queen, crowns Sandy Englehardt as Hoover's queen for '77.

After school the traditional procession fills Beaverville for the Car Rally. Drizzle and rain put forth their best efforts, but they could not dampen the Hoover enthusiasm. The band plays

merrily on with the Hooverites and Twirling Team by their side. Jack Jordison's red pick-up containing a huge Husky devouring a Roughrider, is chosen as the number one car.

The game—a winning effort in a 31-0 loss to the Rosies.

At halftime the queen and her attendants gingerly parade through the muddy rain-drenched field while the top three cars roll around the track bringing cheers from fans.

2

1. Senior Stuart Mitchell vents his enthusiasm with a well-aimed blow at the second annual Car Bash.

2. 1977 Homecoming Queen Sandy Engelhardt hesitates and wonders, "Can't we just shake hands?", as King Craig McKirgan prepares to kiss her.

3. Senior attendants Doug Herold and Pam Vacco are swept up by the spirit and enthusiasm of Homecoming '77 during the annual assembly.

Hoover gains statewide recognition

Named after the late president, Herbert Hoover, Hoover High School has gained statewide recognition in many areas including sports, academics and music. In the eleven years Hoover has been open, the students and staff have built a reputation that is hard to beat.

Hoover occupies 170,000 square feet of floor space. This is divided into two floors which consist of 63 classrooms along with halls, cafeterias and two gymnasiums. The most recent addition to the building would be the new gym, built in '76. This relieves the burden of practice time with the various teams and activities. Also there is increased use of the Hoover/Meredith complex as the two buildings make more of a transition to one. This seems to signal the day when ninth grade will be included in the high school.

1. Hoover High school, home to over 1,100 students, stands proud.

2. Students working on the mural for the wall above the library utilize the library balcony.

3. Students at Hoover found the parking lot wasn't all it was cracked up to be.

1. Sophomores Shelly Momberg and Nancy Coon walk down the Athletic Hall of Fame where outstanding students left their name.

2. One of the few times the halls of Hoover are quiet is during class hours.

John Steinbeck is one who can make a person think without realizing so. In his play, "Of Mice and Men", Hoover's first dramatic production of 1977-78, there is a story created within itself. A strong-headed boy, Lenny, who loves soft and fragile items finds life harder to handle by himself, so George treats him like a brother and creates the will to live within Lenny.

John Steinbeck has the ability to create a sense of reality within his characters. The Hoover Drama Department was able to portray the characters so well, the audience could relate to them. The audience also realized man could exist in the past, present or future society.

Mouse eats the hawk in musical extravaganza

One would never imagine that a single pea could be dramatized into such a funny play. In "Once Upon a Mattress", Hoover's drama department accomplishes the feat with a show of flair, flirtatiousness and flashes of musical brilliance in their second and largest dramatic production of the year. "... Mattress" is living proof that "Love conquers all." The charming tale, directed by Miss Kathie Burg, has kings and queens, princes and princesses and even an evil spell which has caused the king to lose his voice. Only after the prince and princess are united against the wishes of the evil queen, does happiness reign and "the mouse eats the hawk" which ends the evil spell.

"May the Force be with you" became the most popular phrase as Star Wars entered this galaxy. The disco became the most popular place to be as Saturday Night Fever made a long stay in Des Moines. The Bee Gees became the hottest group around. Western styles became the "in" thing as far as the girls' clothing is concerned. Tee shirts come with anything printed on them is a popular style. Straw hats become popular as the rivalry with Roosevelt intensifies. Speedball was the most talked about sport in gym class and in hospitals. After many injuries are sustained the administration thought about closing the activity, but it remained open. Jimmy Carter continues to prove that peanut farmers can't be Presidents.

4. Sophomore, Tammy O'Brien, has become a part of the triple-pierced earring look. A popular fad which has been and still is growing big.

Traces of Love' highlight dance

"Traces of Love" is the theme for the 1978 Valentine's Dance. They are felt throughout the student center as hearts appropriately decorate the walls and tables, and are later turned into souvenirs. Highlight of the dance is the crowning of Maureen Brown as the first female to be chosen Student for All Seasons. This honor, previously call "Man for All Seasons" before Title IX, had four other nominees, Craig McKirgan, Neil Hyde, Doug Herold, and Brad Davis. Steve Doten is elected Sophomore for all Seasons, and Junior for All Seasons is Steve Sikkink. Festive decorations for the dance are provided by the Student Activity Club. The band for the occasion is Dartanyan who is well-received by the approximately 100 couples.

Selected by application and scholastic ability, a group of Hoover juniors left to visit the United Nations in New York and Washington D.C. along with 131 other students from surrounding schools. The group left on the Friday morning before spring vacation and arrived back home the following Saturday. The trip is highlighted by a visit to see the award-winning Broadway play "ANNIE" and Radio City Music Hall for one of the final performances ever to be given there. Most importantly the group tours the United Nations Building where there are briefings on Israel and Russia. In Washington D.C., the group tours the monuments, The Kennedy Center for the Performing Arts, the FBI and the Bureau of Printing and Engraving. The United Nations trip not only informs everyone as to what the United Nations is all about, but it provides an excellent opportunity to meet other people from schools all around Des Moines.

This year's Senior Board provides a forum for the leadership of the top seniors at Hoover High School. Under the sponsorship of Ms. Vera Kendall, the Senior Board has an active and profitable year. The main function of the board is to correlate the many activities which deluge seniors during their final year in high school. This includes the ordering of announcements, name cards, caps and gowns and many other items which must be taken care of.

The highlight of the senior board year is the annual Senior Banquet held again at Olmstead Center at Drake University. Here the seniors gather as a group for possibly the final time in a festive mood celebrating their triumphs, their heartaches, but basically just remembering how it was, how it is and how it will be. Darrell Jones, Pam Sampel and Eric Shogren speak on the past, present and futures of the Class of 1978.

Syncro show 'sends in the clowns'

Antics of clowns, rearing lions and the daring feats of tightrope walkers entertain this years snycre show attenders as the theme is "Circus". Evin Thompson is the head ringmaster and director of ceremonies. He leads the captive audience safely through the lion taming act, making a fierce lion dive through a flaming hoop which adds to the awe-inspiring atmosphere. Coach Jan Ford carefully leads her girls on the state meet in which they finish respectively with Lori Ward and Ellen Adair finishing third. The 1979 team should be just as strong as ever because they only are losing two valuable seniors this year.

Enthusiasm helps create '78 Husky

Both the Husky and Challenger Staffs had common goals this year . . . deadlines. With alot of hard work and determination 8 issues of the Challenger and one yearbook was produced. The Challenger once again changed its format to a monthly publication. By decreasing the amount of papers it was hoped that the length of writing and the amount of activities covered could be increased. Among misplaced pictures and copy sheets the '78 Husky Staff managed to put together what they hope will be one of Hoover's best books. Linda Anderson took over the job of Editor with a staff of 14 helping to fill in all necessary positions. We, the Husky Staff, hopes that this year's book will truly be "mans best friend."

Students 'n sages share Shakespeare

The Hoover Drama Department scores another first with "The World of Shakespeare", the first student-faculty production ever. The scenes from a series of Shakespeare's most notable works are designed to familiarize students with the master's works and show them how relevant his writing is even today, some 300 years later. The works meld the total Shakespeare, the tragic as well as the comic into one night of unforgettable theatre. The production is not staged with elaborate sets or costumes, but rather with everyday clothes and simple sets. "Often Shakespeare is dealt with only in the classroom rather than on the stage, where it was meant to be performed" says Mr. Ron Danielson, director.

'Through the Lens' displays film talents

The eighth Hoover Film Festival, Through the Lens, once again represents the pride and initiative of the Hoover Mass Communications Department. This year's festival was May 4 and according to sponsor, Mr. Bill Springer, is the best one-night film festival ever to be presented. The scripts and ideas which make up the films are all original with them lasting an average of 10 minutes. Approximately 300 minutes of film were shot which after editing is cut down to 80 minutes. The addition of new 16 mm editing and lighting equipment helps to improve the technical aspects of the films. "Phonography" by Dennis Fulton and Lynden Lyman and "Wide World of Sportsmen" by Mark Gibson are touted by Springer as being two of the best films in this year's festival. More of the film makers own time was necessary than in past years, however the one-night event proved that it is time well spent.

The 1978 Hoover Touring Co. is formed in early March. Little did they know that by performance time at HHS on May 11 that they would have done 27 shows and performed for over 10,000 people. It is an unforgettable experience for the cast and crew and the elementary students who view the performance "know" the characters through television and the comic strips.

The production marks the farewell performance for director, Mr. Ron Danielson who resigns to accept a position at Meredith Junior High. Danielson leaves an indelible notch in Hoover Theatre heritage and new director, Miss Kathie Burg says, "Hoover Theatre will continue a notch above other high school drama standards set by Mr. Danielson."

Faces reflect a variety of moods

What's in a face? Over 1200 faces at Hoover reflect the various moods we encounter during each day throughout the year. Here are just a few of the many faces that are encountered at HHS:

Happy faces

Spacey faces

The "just got suspended" face

The "just broke up with your boyfriend/girlfriend" face

The "Monday Morning blahs" face

The "6th hour blues" face

The "just flunked a test" face

The 121 face

The "I just got a scholarship" face

The "Mr. Ackerman's senior skip day test" face

The "TGIF" face

The "we beat Ames by two points" face

The Cross Country state championship face

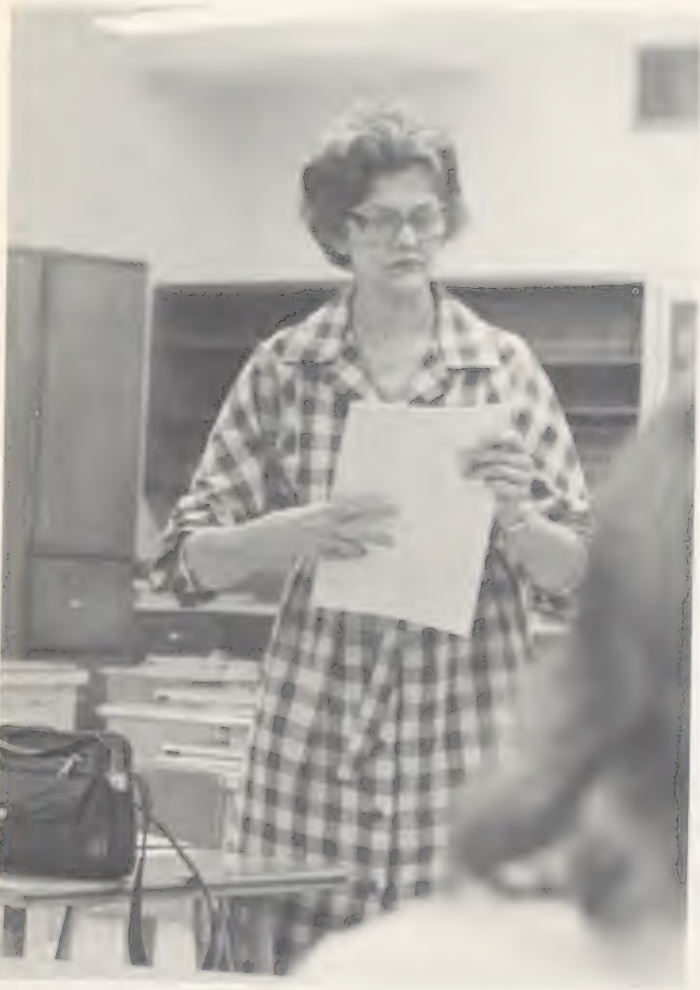

The ultimate face—Graduation!

Every student and staff member comes to Hoover with a different face. Each face reflects a temporary feeling rather than a permanent personality, but when you mix these myriad expressions and faces together, you get HOOVER HIGH SCHOOL—The Great American High School.

1. Sophomore gang huddles together to protect themselves against the viscous winter which was felt all over the country.

2. Pensive moments fill up many hours of a graduating senior's time. Chris Newlin captured Nancy Bean in one of those moments.

Every year each senior class goes through the same old traditions and emotions as their final year comes to an end. After three years together there grows a closeness which can never be erased or forgotten. The class of '78 is no different; each memory bad or good becomes a part of us as we grow and change. We may never be the same again, but at least we can be thankful for the friends and good times we've known. The Senior Banquet is held at the Olmstead Center at Drake on April 3. The jazz combo provides entertaining music throughout the evening. Songs are performed during intervals of speeches by Pam Sempel, Eric Shogren and Darrell Jones on our past, present and future respectively. The sights and sounds of the Senior Banquet enhance the mood of this year's theme, "Our Time Has Come", as seniors gather for their final meal together. Laurie Constance sings our theme song, "To Sir with Love".

'78 Prom salutes departing seniors

For the Class of 1978—"Your Times Has Come." That theme highlights the 1978 Prom, a salute to those 374 seniors who will be leaving in two days. The sounds of Antelon ring through the Rivera Ballroom at Riverview Park as the more than 200 couples enjoy the dancing, the decorations and the desire to say hi to some old friends they may not see for a while.

Fancy tuxes, wild dresses, top hats and chauffeured limousines are still popular as seniors take a last fling at the joys of being high school students. The Prom marks just the beginning of the evening for most couples as the night progresses with dinner at some exotic place to parties which go on into the wee hours of the morning.

1. Diane Zable gets down and takes off with the sounds of Antelon as she and her date enjoy the 1978 Prom at Riviera Ballroom.

2. "Wanna go for a swing," hints Pete White as he gives Cindy Reid a twirl during a fast moment at the prom.

3. Seniors relax! Your time has come and it's your turn to be catered to—perhaps for the last time.

374 graduates bid fond farewell

This is it. The night we've all waited for for over three years is finally here. May 22. Veteran's Memorial Auditorium. A total of 374 seniors bid farewell to high school life this evening. The reactions for the most part are solidly in favor of "getting out". It takes some time for the finality of the situation to sink in. "I'm through. I'll never see some of these people again. Those were the good times. I wish . . . Dr. Donald M. Wetter, Superintendent of Secondary Education, and Hoover's first principal addresses the graduates on "Your Time Has Come."

The Jayne Hentges Humanitarian Award goes to Ann Horn for her service and humanity to Hoover and her fellow students. As is traditional at commencement, many seniors catch their gowns on the railing coming off the stage.

The musical people of Hoover High School, attempt to arouse the audience without being "Gonged".

On of Student Activity Clubs fundraisers, the Hot Dog Dinner, turns out to be a big success.

Student Activity Club, formally known as Girl's Club, had the first year of supporting Hoover High as a new club, because of Title XI, the official name had to change. However the many activities did not change, in fact SAC added a few.

Among the many are the Homecoming activities—Cake off, Poster off, Spirit Breakfast ect. A few of the new ones were the Hot Dog Dinner and the "Gong Show" Skit.

Due to the lack of interest held within SAC, they had their finial year. Next year, all of the SAC activities will be held in a special committe of Student Council.

Everyone gets involved at Hoover, including Mrs. Robinson as she enjoys her Hot Dog.

Mrs. Murphy and Mr. Durand attempt to play "the good guys" in their secret lives.

Council is 'service with a smile'

Involvement and action are two words the 1977-78 Student Council brings to bear as many useful projects and worthwhile dialouge pass before the students of Hoover High. Attendance is up at meetings and sponsor, Mr. Robert Wells credits that to the fine leadership shown by both semester's officers. Two highlights of the year for the Student Council is the bell ringing campaign for the Salvation Army at Christmas time and the Student-Faculty basketball game to raise money for the Special Olympics. The bell ringers raise more money than any other school organizations in Des Moines while the basketball thriller, won by the students in overtime nets \$300 for the Special Olympics fund.

Top-ranked debators need no Medicare

"Resolved: That the federal government should guarantee complete medical care for all citizens in the U.S." This is the topic debated this year by all high school debate teams. Hoover debators have had the most successful season since Mr. Metge began coaching in 1976. The championship team of Pam Sampel, Margeret Muller, Maggie Little, Beth Roy, Condon McGlothlen and Tom Minear, win first place trophies at almost every tournament they attend. Overall, varsity debators capture over one hundred trophies and the novices garner an additional 12.

The Hoover debate team was rated as the top debate team in the state for over eight weeks. On November 4-5 Hoover plays host to debate teams from all over Iowa and surrounding states for the Hoover Fall Classic. "This forensics year has demonstrated that hard work, determination and self-discipline creates success," comments Mr. Metge.

DE, OE help students seek jobs

DECA (Distributive Education Clubs of America) is sponsored by Mr. Paul Burst. DECA's main priority is to get students part time jobs in fields of interest to them. They attend school for half of a day and then go to their jobs in fields of marketing, selling, and retailing. Some of the activities DECA sponosrs are selling candy, and Husky window stickers and buttons. At Christmas they sponsor needy families by having Hoover students donate items. DECA also attended the area, state, and National DECA Leadership Confernces.

OEA (Office Education Association) sponsored by Mrs. Jo Childs helps those girls who are interested in becoming secretaries find an afternoon job. OEA sponsors an open house during school hours which was mainly planned to promote and make Office Education available to all students. Students have to have invitations to attend. Refreshments were also served.

Skiers enjoy sojourn to Colorado

This year 40 Hoover students leave for Winter Park, Colorado on March 25 for the annual ski trip. They spend five fun-filled days in the sun skiing on the grand slopes of the Rockies. The majority of the students spend their time skiing on a new annex of slopes for intermediate as well as novice skiers. This is the first year Mr. Richard Moore sponsors the trip. He enjoys the trip as well as the students and they look forward to next year with much anticipation.

Activities keep cheerleaders jumping

The Cheerleaders loud, spirited and clear voices were heard at all sporting events this year at Hoover. In addition to the job of sparking school spirit at athletic events the girls led pep assemblies, homeroom decorating contests, sponsored bake sales and most of all fired up the teams. The mascots this fall were Cindy Martin and Ann Eshelman and the winter mascots were Julie Miller and Laura Turner. These people are also to be congratulated on their success in leading their teams on to victories. Senior Brad Davis represents the Huskies as the one and only yell-leader this year and hopes are this will become a tradition.

Sophs ignite Husky team spirit

Sophomore cheerleaders this year did a fine job in cheering their teams to victory. The cheerleaders were split into two squads in order to spread school spirit to other sports. The two squads are football and basketball. Aside from cheering for their teams, the cheerleaders spend many hours painting signs, making fire-up posters and decorating lockers. Both squads sponsor two separate bake sales which give them the money needed for supplies. Baking the basketball players cakes for their last game and supplying each person with a "big" sack of candy are among their things accomplished by the sophomore cheerleaders this year at Hoover.

Timers put watches on 8-0 season

The timers help the boys swim team through many home meets by keeping everything running smoothly. Their support doesn't end at the home meets, for they attend many away meets just to cheer. Ten new timers were chosen by a group of judges that consisted of old timers and the boys swim team. They learned fast that there is more to being a timer than running a stop watch. T.P.-ing houses, getting thrown in and making posters are just a few of the responsibilities they face.

Hooverites busy; no longer in band

Forward, MARCH! These two words are heard often during the '77-78 school year by the Hooverites drill team. The girls take part in many activities during the year including marching with the band, and participating in the Drake Relays Parade. They also participate in contests with the band at Knoxville. During the basketball season, the Hooverites march at halftime of most home games.

The biggest change for next year is that the Hooverites will no longer be marching with the band, but will be a drill team unto themselves. They will continue to participate in the same activities as they have since 1968, but will not be considered a part of the marching band. Mr. Gerald Hollingsworth is the sponsor during the 1977-78 year

Number 1 orchestra tours schools

The 1977-78 Orchestra takes on many fun and interesting projects. They take trips to Calvin Manor and the Des Moines Science Center. A highlight of the season for some of Des Moines' younger orchestra enthusiasts comes when the Hoover Orchestra tours elementary schools in the area. They also participate in the State Orchestra Contest and walk away with 1 ratings in both Small Group-Miscellaneous and Full Orchestra. They also receive a 1 rating in large group competition held at Hoover during May.

Twirlers survive year of change

The 1977-78 Twirling Teams have an exciting and fruitful year under the sponsorship of Mr. Fred Hiatt. The members perform at all the home football games in conjunction with the band. They also perform at halftimes of some home basketball games. The highlight is marching in the Drake Relays Parade in April.

The biggest change comes with the announcement that the Twirlers will be carrying pikes next year instead of the smaller flags and the Hooverites will no longer be a part of the band. For the first time, band members will be able to try out for the Twirling Team and march during the marching band season. The twirlers raise money by holding bake sales and advertising them with silkscreened posters provided by the Art department.

Jazz '78 sounds great, takes state

In one of the tightest competitions in recent years, Hoover's Jazz Band '78 walks off with the state championship for an unprecedented third straight year. Metro rivals, Roosevelt and Valley finish behind Hoover and their six outstanding player awards which go to Scott Roberts on trombone, Barb Kriegh on drums, Cindy Reid, organ, Russ Hellmer on saxophone and Tom Burns on guitar. Roberts shares honors with the band after garnering outstanding soloist award for the third straight year.

Competition is highlighted this year by a fierce rivalry between Hoover and Roosevelt which even extends onto the basketball court. The Roughriders upset the Huskies in jazz band competition during the year, but when it counts the band comes through with the support of some very vocal fans.

Vocal musicians sing in tongues

German, French and Latin are some of the languages in which concert Choir and Prep Choir sing in 1977-78. Extra work was done and the vocalists, along with Choir Director, Donna Emmons, have another successful year.

The vocal music groups do well in state contests this year, garnering a one rating and several two ratings.

At the annual awards concert, tears were in evidence as good-byes were said and students were honored with letters, certificates and medals.

With some strong voices, especially sopranos returning next year, Ms. Emmons looks forward to an exceptional vocal music year.

Gridders sloss through 2-7 season

This year's varsity football team is better than the 2-7 record posted. Due to illness in the season, the Huskies are at full strength in only three out of the nine games. Coach Justice says he's proud of his team. "Although we didn't have the season we wanted, we're still winners. Each man cares about the other."

The offense is led by Clyde Allen with 273 yards and Jim Erickson with 146 yards rushing. Steve Watson throws for 627 yards and three touchdowns. All-Metro 1st team receiver, Doug Herold catches for 379 yards and four touchdowns, including a Metro record 95 yard reception. Bill Dettwiller, tight end, is second with 144 yards. Total offense for the Huskies is 1417 yards.

Scott Hinkle, Jim Erickson, and Rich DePenning lead the defense with 70 unassisted tackles and 153 assisted tackles between them.

Individual honors are: Outstanding Defensive Player, Scott Hinkle; Outstanding Offensive Player, Doug Herold; Outstanding Specialist, Dave Nelson; Smith Thorton Award, Craig McKirgan; All Metro first team: Doug Herold, Kevin Cron; Second team: Sean Mallory, Scott Hinkle, Jim Erickson; Honorable Mention: Fred Steeve, Russ Starmer, Craig McKirgan, Craig Stillman, Steve Watson, Bill Dettwiller. Pups break record with 6-2 mark

The offense is led by the passing arm of Steve Doten with 320 yards in the air, which includes four touchdowns. Doten's favorite receiver is Tom Mumford. The two connected for 12 receptions, 134 yards and two touchdowns. On the ground the Pups are led by Kelly Blackford. Blackford leads the team in two categories—734 yards rushing and 11 touchdowns. The team's totals were 1357 yards rushing, 344 passing, for a total of 1701 yards. This averages 212.6 a game.

The Defense is led by Scott Jay, Andy Mortenson, Doug Walker, Luke Ginn, and Mark Parkhurst. Together they score 198 defensive points, recovering 17 fumbles. Coach Bob Watson is very pleased with this year's team and the hard work they put into a winning season.

This year's cross country team is the finest. The team goes undefeated in dual meets, compiling a 7-0 mark, taking the Metro Crown, a first in districts and the State AA title. Junior Mike Diment, who never finishes less than first, takes individual honors at state with a 9:39 time. Mike is under 10 minutes seven times. Marty Wiedenman, Dale Jankovitz and Tim Hall finish 15th, 16th and 31st respectively out of eight teams and over 100 runners. Dave Record pulls a muscle early in the race and has to pull out.

Mike Diment is voted Outstanding Runner while Jerry Olson is the Most Improved Runner. Dale Jankovitz, Marty Wiedenman and Tim Hall are voted team captains.

Five seniors and four juniors receive letters as the Huskie harriers compile an unbelievable 30-5 record since the 1973 season.

The team consists of more than five runners. The whole team works hard throughout the season. This is what makes a State Champion.

Injuries to Kim Niffenegger and Fry plague the girls all season, but the team depth aids in pulling the team through.

Dryg receives the award as the Most Improved Runner while Tommie Fry and Iverson share Outstanding Runner honors. Coach "J" is extremely pleased with the performances of the girls and hopes for another strong season next year as the JV girls go 8-0-1 and finish first in the Metro also. Diment and Iverson win All-State

This year's Cross Country teams surprised the state with the boys taking the AA title and the girls placing third. The boys were not supposed to finish better than third and were expected to finish fifth. Coach Jankovitz told the men they had a good chance to take the whole thing, but that it was up to them. Mike Diment garners top honors while Dale Jankovitz finishes 15th, Marty Weidenman 16th, and Tim Hall 31st. The girls are another big surprise taking third with very young personnel. Sharon Iverson leads the team at the end of the season as Tommie Fry had done before her injury, Diment and Iverson take all-State honors. Coach "J" is looking forward to next year when many regulars return.

Marlins splash to sixth in state

The Hoover Marlin swim team has an excellent dual meet record this year, with only one loss and seven wins. They then go on to districts and claim second place behind arch-rival, Valley.

"The girls showed fantastic team spirit and togetherness this year at the Ames meet. It had to be the most outstanding performance," Coach Dave Linder states about the girls' victory over Ames. Their dedication and hard work pays off at the end of the season. Dana Wilson receives Most Improved Swimmer, and Katie Whelan is named Most Outstanding Swimmer for 1977. Even though they will lose 13 valuable seniors this year, strong junior, sophomore, and freshmen classes will be moving up to take their place.

Volleyballers earn state bid; go 12-2

The Hoover Huskies are really on the ball this year—volleyball that is. The Huskies compile a 21-8 season mark and qualify for the state tournament in Dubuque. The team does well at state but is eliminated in the first round. Other honors racked up by the volleyballers include a semi final finish in the Fort Dodge Invitational, a second place finish in the Indianola Invitational, a second place in the Metro Conference and a district championship.

"The girls and I are very happy with the season and going to state made it worth while," says Coach Pam Hines. Several individual honors are garnered by team members. Laurie Amick, captain gains a first team All-Metro and Special Mention for All-State. Debbie Isenhardt snares All-Tourney honors at the Fort Dodge meet, a first team All-Metro and second team All-State spot. Sister Cindy makes Honorable Mention to the All-Metro team along with teammates Vicki Marshall and Debbie Baker. Sophomore Sandy Supstiks grabs a second team All-Metro spot. With good support from sophs Cindy Isenhardt and Supstiks, Hines looks forward to more good things for the coming season on.

The gymnastics team does fairly well this year. Their record is 5-4, with victories over Lincoln, Newton, Ankeny, East, and Urbandale. Their losses come to tough teams, those being Valley, Roosevelt, Dowling, and top-ranked Ames. Senior Michelle Ramsey is the standout all year for the gymnasts. she wins the all-around competition in almost every meet she is in. She wins this event at the Urbandale Invitational out of approximately 40 gymnasts. Winning that event was a goal she had set for herself in her sophomore year. The team is also bolstered by the return of such standouts as Lori Peterson, Pam Vacco, Julie Roquet, Dolores Wheeler, and Lisa Phillips. The gymnasts are aided by the outstanding performances by sophomores Mandy Gillaspey and Dana Wilson, and freshmen Kristen Beal and Melanie Brown.

Next year does look very promising, with those people returning. The gymnasts improve toward the end of the year immensely. They finish third in districts behind Dowling and Roosevelt which qualifies the entire team for regional competition. Ramsey wins the tumbling and floor exercise and finishes third in the all-around. An injury to Wheeler and Vacco's illness prevents them from competing. But the depth of the team shows. They finished 4th-two places higher than they expected. Ramsey qualifies for State with a third place finish in the all-around competition. Michelle placed 4th in the vault, 8th in the floor exercise, and 9th in the all-around. The team started the year with a lot of potential and didn't rely totally on the seniors. Coach Weishaar expects a good team for next year.

Young grapplers tough; Eklund state qualifier

The grapplers, under coach Jerry Gay, have a disappointing season finishing 2-9 in dual meets. There are some bright spots however. At 98 lbs., Ed Saunders finishes with a 17-8-1 record including a first place finish at the Colfax Invitational. Brian Mowrey garnered a 6-12 record at 112 lbs. Seniors Mike Schwin and Daryl Lilly wrestled at 119 and 126 respectively. They had a 24-25-1 record between them. 145 pounder John Eklund had an outstanding year, finishing 18-8, with first place finishes at the Lincoln and

North Invitationals, plus qualifying for State. Senior Ron Dickerson has a somewhat disappointing season finishing 9-15. But Dickerson set a school record for the quickest pin, that being twelve seconds. Junior Gale Perrin and Sophomore Eric Stroud have a combined record of 4-16 at 167 lbs. Mark Vertanen at 185 lbs. finished above .500 at 13-12-2. Dave White handles the heavyweight chores finishing 10-13. Coach Gay's team figures to be strong next year with plenty of people returning.

Girl cagers end 14-9; 2nd in Metro

The Hoover girls basketball team finishes in a tie with Valley for second place in the Metro with a 10-4 record. They finish 14-9 overall. The cagers are led all year by a strong forward court, featuring Seniors Debbie Isenhardt, Marianne Weigle, and Vicki Marshall. Isenhardt leads the team in scoring with a 35 point average and 2nd team all-Metro honors. Marshall leads the team in free throw shooting hitting at an 84% clip to go along with the honor of all-Metro honorable mention. Marianne Weigle grabs all-Metro honorable mention. The guard court is led by all-Metro first teamer Sheri Griffin with 104 rebounds and 26 steals. Seniors Cindy Godfrey and Sue Hassebrock and junior Valerie Bergen played well all year also. In the tournament, the Huskies downed Saydel and Urbandale before losing to Lincoln and Dowling.

1. Debbie Isenhardt puts up a shot while Vicki Marshall awaits the rebound as the Huskies upset the Valley Tigers at Valley.

2. Valley's Connie Nowlin is frustrated as Hoover's Val Bergen pulls down another rebound as the Huskie defense of Bergen, Hassebrock, and Godfrey gets tough.

2. Vickie Marshall shows her versatility as she shoots a perfect left-handed layup as Debbie Isenhart prepares to rebound.

3. The referee observes closely as Debbie Isenhart craves the bucket for another two points for the Huskies.

Bloomcamp resigns after strong term

The junior varsity and sophomore teams have successful seasons with the sophomores winning the Metro title. The J.V. finishes with a 5-2 record with victories over Tech, Roosevelt, Dowling twice, and Valley. Junior Kathy Morris is the leading scorer with a 20 point per game average. Sophomores Cindy Isenhardt and Sandy Supstiks get some playing time on the J.V. squad and average 15 and 14 points a game, respectively. Sophomore Tracy Thomas leads the defense with 20 steals. The sophomore team takes the Metro title with a 17-2 record. Their only losses come to S.E. Polk and Dowling. The big scorers for the soph's are Sandy Supstiks and Cindy Isenhardt. The defense is led by Tracey Thomas with 76 rebounds and 51 steals, Michelle Bales with 128 rebounds and 46 steals, and Lori Fisher with 100 rebounds and 38 steals. The future looks bright.

Cagers dominate; upset in state

1978 is the year of the Huskie in basketball. Hoover is known statewide as the top team. The 1977-78 basketball team breaks Metro and State records, and virtually rewrites the school's record book. As a team, the Huskies go 21-1 the best record Hoover has ever had. The highest total game is 109 against East, and as a total for the season 1894, for an average of 86.09 per game. The average margin of victory is 26.2. They shoot 56% from the field and 77% from the line.

Two impressive victories over Roosevelt enable the Huskies to win the Metro and vault them into State. But, Hoover was downed in State by Cedar Rapids Washington, a team they had previously beaten by 30 points, 64-58.

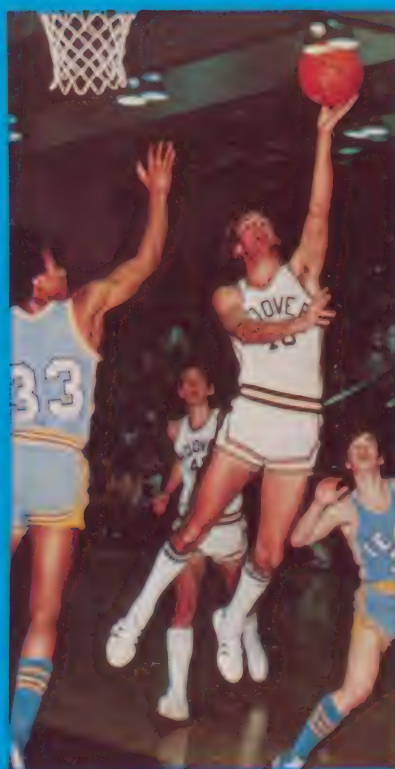

2

The Huskies parlayed many positive factors into an impressive 21-1 season. Among them is the tenacity with which they play and the grace in which they both win and lose. 1. Joe Dykstra hits two despite four J-Hawks. 2. Jeff Moser stretches for a tip against Tech. 3. Jeff Cleven and Mark Gibson salute a disconsolate Brian Correll.

Cleven grabs All-Metro

Joe Dykstra garners the Most Valuable Player award. He also breaks the Metro scoring record with 1,458 points.

For the season, Dykstra makes 607 points including a 51 point barage against Lincoln. Dykstra receives All-Metro All-Area and All-State 1st team.

He becomes only the second player ever to receive this award. Jeff Cleven receives first team all-Metro, All Area and fifth team All-State, averaging 16.5 points a game. Second highest on the squad. Kurt Moody earns best defensive player and is voted third team All-Metro and has the best field goal percentage of 61.6 percent for a career, a school record. A sprained ankle hampers Senior Mark Gibson, but his leadership on the bench and on the court is honored when he is voted Captain by his teammates. Jeff (Slam Dunk) Moser receives third team All-Metro and with shooting accuracy, breaks the school record for field goal percentage in one game against Valley going 10 for 10. Chuck Hull receives Hustler award and proves himself as an outstanding player. Junior Steve Sikkink receives most valuable Junior honor and will be very helpful in the coming year. Coach Adams believes this is the best team he has ever coached.

1. Joe Dykstra is in the eyes of all as he carries up a perfect shot in his first and only state game.

2. Senior Steve Watson snatches the ball away from Roosevelt defenders with only 57 seconds left in a close game, 65-62.

Pups shoot to 'best ever'; go 18-0

The boys sophomore basketball team has its best year ever finishing 18-0 and taking the Metro title. Center Tom Aceto almost totally rewrites the record book. He finishes as co-most valuable player with Tim Anderson. Other outstanding players are Dave Applegate, Greg Witke and Chris Sonner. The team is very solid on defense holding S.E. Polk to a meager 18 points while scoring 64. The pups beat every team impressively, usually by a good 15 or 20 points. With standouts like Aceto and Anderson the varsity squad should be powerful next year too.

1. Seniors Terry Johnson, Jack Jordison and Luis Barrantes fly off the blocks at the Ames meet to another victory for the Huskies.

Besides capturing both first place titles at Metro and District meets, the Hoover boy's swim team has an excellent record in dual meet competition with 8 wins and 0 losses. They go on to State ranked 2nd in power ratings and finish 5th respectively. Senior Evin Thompson places 3rd in the 500 freestyle, and also sets a new school record in the 200 Individual Medley Relay of 2:05.9. Terry Johnson follows him up with a 4th place finish in the 100 yard freestyle. Their dedication along with the rest of the team's hard work pay off with success as Evin Thompson receives the Bob Lenc award and outstanding swimmer award. Jim Ward is named Most Improved Swimmer, while Jack Jordison, Phil Perrington, and Evin Thompson are elected Tri-captains.

Mike Diment wins at State

Junior Mike Diment is the stand out performer for this year's edition of the Boy's Track team. Diment takes State in the 1600 meter run capping an excellent season for him. The remaining members do not have outstanding seasons, but many do well. Seniors Russ Brown and Jim Erickson contend against each other for top honors in the discus. Senior Craig McKirgan was competitive all year in the high jump. Junior Jerry Olson and senior Mike Florence hold their own in the sprints and relays. The longer distances are dominated by Diment and junior Dave Record. Bolstering next year's squad will be sprinters Olson, Mike Wright, and Tyrone Black, hurdlers Jeff Kane and Rick Kail, distance runners, Diment and Record, pole vaulters Robbie Sieck and Pat O'Keefe, and high jumper Rich Sloma.

Girls fourth in tight Metro race

The girls track team has a strong year finishing fourth in a close Metro meet at Drake Stadium. Sharon Iverson and Sheri Griffin qualify for State in the mile and discus respectively, Sophomore Tracey Thomas does very well this year taking the 100 meter dash in the Metro meet. She ran in the relays almost all year. The two mile relay team of Sue Hassebrock, Kathy Diment, Barb Diment, and Kim Niffenegger won the Metro in an event that they weren't supposed to win. Deb Isenhardt does well in the Softball throw all year. She also ran in the hurdles along with Marianne Weigle and Paula Carr. Next year's team is going to be very good. Thomas, Melody Bailey, Peggy Williams, Brenda Belcher, and Christie Ulin return in the sprints. Most of the other positions are well fortified also.

Girls 2nd in district; 3 to state

"The girls played better and more competitive than any team I've ever coached," Mrs. Hines proudly states about the 1978 Hoover girls team. They finish with an outstanding record of 8 wins and 3 losses. Lori Amick and Barb Watson, both finish 1st in their divisions in the Pella Invitational helping Hoover finish first over-all. Six girls move on to sectionals and Districts where it was touch and go for awhile but they pull out a second place in both meets qualifying three people for State: Lori Amick in singles, Barb Watson and Sue Wengert in doubles. "This is the most people we've ever had qualify at one time," coach Hines adds. This superb team should remain tough next year as they lose only 3 seniors.

The Hoover tennis team has a great year losing only to a team in Missouri. The netters swept through the Metro undefeated including an impressive victory over arch rival Roosevelt. Chuck Hull caps a tremendous career by winning the State crown. The doubles team of Jim Frank and Kirk Trow also goes to the state tournament. The success of the team is amazing since they lost their best player, Roger Knapp. After being hidden by the shadow of Knapp, Hull really asserted himself to take State. Seniors Frank, and Bret Benham, and junior Trow are outstanding in singles action this year. Although the Huskies will probably not be favored to take the Metro, they might surprise some people. Juniors Trow, Bryan Hall, Eric Fischer, Greg Highsmith, and Reg Morrow along with freshman Scott Richardson will carry the team of '79.

1. Junior Kirk Trow makes an impossible return in a victory over his opponent. Trow and doubles partner Jim Frank went to State.

2. State champion Chuck Hull shows why he gained this honor as he returns a shot in competition at Birdland.

3. Senior Bret Benham is one of the reasons why Hoover's tennis team was the best in the state as he shows perfect form.

Stancombe, Cate lead golfers . . .

The golf teams really didn't live up to par this year. Todd Cate and Lori Ward are two bright spots on what is otherwise a rough year. Senior Brad Stancombe also shows some of his talent on the putting greens. Seniors Mark Gibson and Jeff Kinning also have good performances. Juniors Paul Shoemaker and Larry Roan will be back to lead the team. Besides captain Lori Ward, the girl's team was youthful and inexperienced. Lisa Huston, Terri Bauer, and Carol Hanson will lead the team of the future.

1. Captain Todd Cate one putts for a birdie on the second green at Waveland to capture his flight with a four under 68.

2. Many hours of practice pays off for Senior Jeff Kinning as he hangs a chip next to the cup on number 12.

3. Junior Paul Shoemaker leans into it as he hits the flag on the number five par three at Hoover's home course Waveland.

4. Boys Golf team first row (l-r) Mike Bentley, Brad Stancombe, Todd Cate. Second row: Coach Jim Stark, Mark Amick, Bill Warner. Not pictured: Mark Gibson, Paul Shoemaker, Larry Roan.

Hard work leads to Huskie success

1. Senior Cindy Reid displays the offensive ability which helps the Huskies overcome their opponents during the '78 season.

2. Varsity Softball: Front Row. Pam Vacco, Steph Brown, Cindy Reid, Barb Gase, Amy Blenderman, Debbie Baker. Back Row. Coach Bill Springer, Romona Vannoy, Cindy Isenhardt, Vickie Marshall, Diane Erickson, Deb Isenhardt.

1. Senior Pam Vacco bites her tongue in concentration as she gets another hit which helps compile her .364 mid-season average.

2. Another Norwalk runner finds out why Senior Debbie Isenhart is named as being one of the top Defensive players in the Metro.

3. Sophomore Diane Erickson follows through on another perfect strike which helps the Huskies build a winning record.

4. Junior Varsity: Front Row. Lori Fisher, Mgr., Ann McLaughlin, Joni Polson, Alicia Lobsinger, Carolyn Fry, Nancy Bryan, Dawn Ummel, Brenda Anderson. Back Row. coach Jerry Gay, Debbie Linn, Michele Mead, Beth Blankenberg, Valerie Gander, Kathy O'Brien, Jayne Short, Christy Ulin.

The '78 Hoover Girls Softball team has a new look this year as they sported both new uniforms and coaches. Mr. Bill Springer and his varsity look forward to a successful year with 7 returning seniors. Hitting is led by Steph Brown at mid-season with a .450 average. Debbie Isenhart follows close behind with .409. Quick team speed and outstanding offense help the Huskies remain as tough contenders in the Metropolitan Conference. Prior to publication time the team had acquired a 6-5 record. Mr. Jerry Gay's junior varsity looks forward to a winning season with the leadership of freshman Nancy Bryan at pitcher and sophomore Michele Mead at third base.

Many returning letterman feature this year's baseball team. Pitching is strong with Kurt Moody, Jeff Cleven and Sean Mallory returning. Carl Strother and Rick Grandquist have already combined for a no-hitter. The outfield will carry the big stick this year with Mark Gibson, Mark Kimble and Dave Nelson occupying those positions. Kurt Moody will probably be the Huskies best hitter. Steve Sikkink returns at third and thus far has carried a potent bat to the plate. The two keystone sack jobs are being hotly contested by 3 people; Jerry Olson, Jeff Paulson, and Pat Scholer. It looks like a successful year for the batsman.

Huskies look for strong showing

As schools nationwide face the problems of declining enrollments and plummeting budgets, Des Moines schools begin making plans to alleviate these problems by closing two junior high schools, Franklin and Wilson.

Teachers at Hoover are busy making plans for the future, when Hoover will become a four-year institution.

In preparation for this change, Hoover may need to add teachers. Many other changes will take place and there may be some new rule changes which will affect the new frosh. The new plan is accepted with eager anticipation by most people although each department is kept quite busy examining the course offerings in their respective areas.

The Language Arts department is the largest one at Hoover and undergoes many changes in '77-78. Mr. Paul Bamford resigns at mid-year and is replaced by Mr. David Sudol. Mr. Everett Kraft will be the new ASP teacher next fall.

E DAYS SENIORS

Dr. Jona Mann and Mr. Ron Danielson draw up a new sophomore curriculum which will again be revised due to the freshman coming to Hoover in 1979. The English and speech departments react to the "back-to-basics" trend by doing away with some electives and spending more time concentrating on the fundamentals of the spoken and written word.

A new studio is designed in the Theatre Arts area in which students produce their own one-act plays. Rhonda Fosselman produces a play which she created and is recieved very well by students. Rhonda also recieved the National Council of Teachers of English creative writing award. Department chairperson Mrs. Barb Fors teaches a creative writing class for the first time at Hoover. The film classes and Mr. Bill Springer again put on the popular film festival. Humanities will not be offered in 1978 due to staffing problems.

2. Choir director Miss Emmons urges her Concert Choir to get out and "sell it" down the halls of Hoover during Christmas.

1. Mr. Lundholm, Mr. Dockum, Mr. Durand, and some other faculty members enjoy talking about their maneuvers at the Student-Faculty basketball game.

2. "You want to run that by me once more?" says Mr. Metge as he relaxes in his office.

3. Tommie Fry and Gail Bondesson enjoy getting their picture taken outside of the gym.

Many changes have been made throughout the year in the Faculty and Academics area. In the Art Department this year student and faculty members work together forming a mural committee to begin working on a mural that is seventy-two feet in length and is located on the wall of the library balcony. The mural is symbolic of the Hoover students and staff members that must continue the scholastic and artistic excellence of this school. There are nine students and three faculty members. The students are as follows: Margaret Muller, Terri Johnson, Dan McCoy, Laurie Moore, Dan Hall, Lee Buckley, Kyle Katzman, Sally Majors, Kathy Muller. The three faculty members are as follows: Fred C. Hiatt, Bob Wilkerson, and Mr. Gerald Dockum.

1. Miss Donna Emmons tries in vain to avoid the watchful eye of the photographer.

2. For much of the 77-78 school year this is what greeted most Hoover students during the long, cold winter.

3. Mr. Murphy always seems to have his hands in everything witness Juniors Penny Burger, Randy Thompson and Greg Highsmith.

New sophs face 'different' life

A few months ago, as we the sophomores walked down the strange unknown halls of Hoover High, our imaginations ran wild. Would we make new friends? Would we look good in the eyes of the opposite sex? Is that teacher to be friend or foe? At other times we imagine all of the late nights we would be up studying for tomorrow's difficult, if not impossible exam; or the days when we would be embarrassed while the class listened to your stomach growling during third hour. Some students came to Hoover with the feeling of school spirit and showed it by joining athletic and social groups such as swimming, Glee Club, basketball, drama, track, debate and music. Through these various organizations students developed new friends and self confidence in themselves

The juniors of this year still have a lot of decisions to make—whether they want to go to college, or straight to work after high school. Most have a decision which will effect the future sooner than that: Whether they want to go to school all day, half day or go into a program like Office Education or Distributive Education Clubs of America.

When you think about it, it is hard to imagine the Juniors last year as punky sophs who had no idea of which club or group to join and now it is the same people only as juniors trying to decide which little college or agency to join.

One thing is obvious of the juniors; They have a lot of questions to fulfill before they can move a step forward in life.

Juniors Larry Fish composes an "editorial" for the Hoover Challenger.

Juniors Cherilyn Deal and Beth Flansburg enjoy a pleasant conversation during the 5 minute passing period.

The Senior year seems to pass faster than any other school year in the past. With all the excitement of the parties and the last year with all your past classmates. Even with all this happening seniors have to find time for the future and most important of all growing up. Despite all the different attitudes about school seniors have one thing in common, to graduate. The class of '78' is rowdy, respected generation; even with all the overwhelming challenges we meet day to day Seniors talk about their past experiences: Tresa Walker says, "This year seemed to go so fast, but it was fun. Though I must say I wouldn't want to go through it again." Lori Greelee seemed to think graduation isn't coming any too soon. "Your're hearing people say that they wish they could relive their senior year, but right now all you can think about is finishing the year." Many seniors are kept busy with their part time jobs and other activities. Approximately half of the senior class gets out of school early and many have jobs.

The Hoover Student Center.

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats. You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we do it all for you.

P.S. Some of our best friends are Huskies!
